The Citation II is the most popular entry level jet in the world. Its capabilities make it ideal for travel within continental Europe

The aircraft features a luxury appointed interior with seating for up to eight people in individual leather chairs and includes folding tables. At the rear of the cabin there is a separate WC.

A satellite phone system is available with worldwide coverage.

A separate bar / galley unit with light catering adds to this popular jet.

Safety Features	TCAS II EGPWS Fully Electronic Cockpit (EFIS)
-----------------	---

Citation II

The aircraft can fly non stop:

London – Paris	1.00
London – Geneva	1.30
London – Cologne	1.00
London – Nice	2.10
London – Madrid	2.25
London – Olbia	2.40

The Citation II has excellent take-off and landing performance, capable of using the shortest of runways.

The reputation of the Citation II as a business jet is well known. With comfort, luxury, and exceptional runway performance, it gives you the facility to transport up to seven people at over 400 mph throughout Europe.

The latest avionics, including traffic collision and ground proximity warning systems are incorporated into this aircraft making it state-of-the-art on par with today's airliners.

The aircraft combines cost efficiency with direct access to some of the smaller airports, making it the ideal aircraft for travel within Continental Europe.
