

# LEGACY 600

# LEGACY 600

The Legacy is Embraer's large cabin executive jet derived from the regional jetliner.

The aircraft features a stand up cabin and luxury appointed interior with seating for up to twelve people in a mixture of individual leather chairs and side facing sofa.

A state-of-the-art entertainment system is installed featuring 2 DVD's and 1 video player with 10 individual screens as well as Airshow Cabin Information System with moving map display.

A satellite phone system is available with 3 handsets throughout the cabin.

A separate bar / galley with hot oven and microwave adds to the practicality of this outstanding business jet.

# LEGACY 600

*The Legacy has excellent take-off and landing performance allowing it to operate out of smaller airports and is approved for operations from London City Airport*

## Typical Flight Times

London -

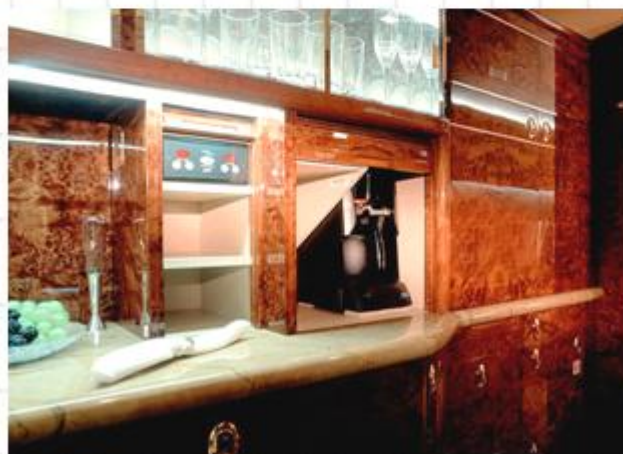

|           |             |
|-----------|-------------|
| Madrid    | 1hr 50mins  |
| Olbia     | 1hr 55mins  |
| Rome      | 2 hours     |
| Algiers   | 2hrs 20mins |
| Reykjavik | 2hrs 30mins |
| Moscow    | 3hrs 25mins |
| Cairo     | 4hrs 50mins |

The Embraer Legacy 600 offers the largest cabin in its class. G-REUB offers 13 passenger seats in three sections, that convert to six flat beds.

With a range of over 3000 miles, the aircraft can fly up to 6 hours and 30 minutes, reaching destinations in Eastern Europe, Africa and the Middle East.

The Legacy 600 is one of the most reliable corporate jets ever built. Being a derivative of an airliner, the aircraft has flown over a million flying hours, with an excellent safety and dispatch record.
